RE: MARGITSZIGETI OKTATOK KOZOSSEGE L.P.
Application for Reservation of Name – WI# 0405202448045

The above-mentioned document is returned for the following reason(s):

I am not certain what your intent it. I reached out on April 16, 2024, for a response, but did not receive a reply by the morning of April 19, 2024.

A Hawaii Certificate of Limited Partnership was submitted first, followed by a foreign limited partnership name reservation. Foreign means that the entity started in another state or another country. **A name reservation only holds a name for 120 days IF you are not ready to register/submit the limited partnership documentation. If you have already submitted the starting documentation, there is no reason to file/proceed with the name reservation filing.**

As there was no issue with the first filing, this document was taken.

If you wish to still proceed with a name reservation filing, please see the following.

Entity Type – If the entity type has changed, please update this as needed.

Line 2 – The address is not acceptable. Please provide the complete address (street name, city, state, zip code). Generally, you do not need to state your name in the address section.

Line 3 – Review this section. Is the name being registered a domestic (Hawaii) entity OR a foreign (another state/country) entity? Update if needed.

Line 4 – The name MARGITSZIGETI OKTATOK KOZOSSEGE L.P. is **not available** for registration. The name is identical to MARGITSZIGETI OKTATOK KOZOSSEGE L.P., a Hawaii limited partnership registered on April 5, 2024.

NOTE: If you check off the box stating that a fictitious name is being reserved, the fictitious name must be stated on line 4. A fictitious name is ONLY for foreign entities that CANNOT register in Hawaii with their original name, since the name is NOT available.
